

The following toplines were produced by Knowledge Networks, based on the **Election 2008 & Beyond Survey (Wave 2)**. The survey was fielded between May 30–July 24, 2009 and was conducted on behalf of researchers at the University of Chicago. Please visit www.2008andbeyond.com for more information about the project.

Note: There are two types of missing cases presented in the tables below. “-1 Refused” indicates those respondents who were asked the question but did not answer; “System” refers to those cases without data because the respondent was not asked the question, almost always based on answers to a previous question.
